

840 Antares

Rigid cervical collar in 2 pieces size INFANT

FEATURES

ANTARES cervical collar is an highly professional instrument indispensable for the emergency operator. It is composed by 2 pieces to be put on the front and back part of the neck enabling thus the perfect immobilization of the rachis. Central hole for tracheotomy and easy positioning thanks to the rip-off fastening which different colours indicate the various sizes. It is made with transparent polyethylene with E.V.A. washable inner lining fixed by plastic rivets. Available in 6 different sizes.
