

## 678 Extra Lite Basic

Extra Lite Basic, foldable carrying chair

### FEATURES

EXTRA LITE basic is the new Me.Ber. stair chair entirely made of lightweight aluminium alloy frame. The backrest and back carrying handles inclination, along with the unique frontal arms configuration, enable a perfect weights distribution, relieving operators' efforts. While manoeuvring on smooth and plane surfaces, the 200 mm rear and 125 mm front wheels gives exceptional comfort. The structure along with an ergonomic seat and backrest, complete the characteristics of this new rescue device.

Device certified according to the European harmonized standards UNI EN 1865 - UNI EN 1789
